HERE'S HOW IT WORKS:

We've calculated your Guaranteed Bill amount based on a number of factors, including prior gas usage at your current location. Your monthly Guaranteed Bill amount would be \$YY,* but we are also offering you a \$5 discount per month† that would get you to a discounted monthly total of \$XX.** Your Guaranteed Bill amount excludes sales tax and any one-time charges such as late payment fees. Plus, we'll waive the early termination charge from your current fixed plan so you can make the switch now.
