Why choose Georgia Natural Gas®?

It's simple: Service. Savings. Sustainability. That's GNG.

More Georgians have chosen GNG for their natural gas service for over 27 years. Why? We try to keep things simple – we want to be easy to do business with.

Service: We make it easy to switch your service to GNG. And if your current gas company charges a cancellation fee, we'll credit you up to \$200 to cover it.*

Savings: Our plans come in all shapes and sizes, so there's something to fit every lifestyle and budget. Enroll today and save with a discounted rate.*

Sustainability: Georgia's natural gas leader is also a leader in protecting the environment. Through our Greener Life® program, GNG customers can make their natural gas usage carbon neutral.†

Did you choose your gas provider, or did they choose you?

Moving into a new home can be overwhelming. You might not even know you have a choice in natural gas providers. Make sure you are getting the best option for your lifestyle and budget.

In Georgia you have a choice.

The natural gas market in Georgia is unique. It's competitive. Gas companies compete for your business with different plans, prices, and perks. They also manage your billing and customer care. Because of this competition, you are able to get better pricing and service. So take time to shop around and choose the gas company that meets your needs.

How it works

Natural gas providers, like GNG, purchase gas for customers.

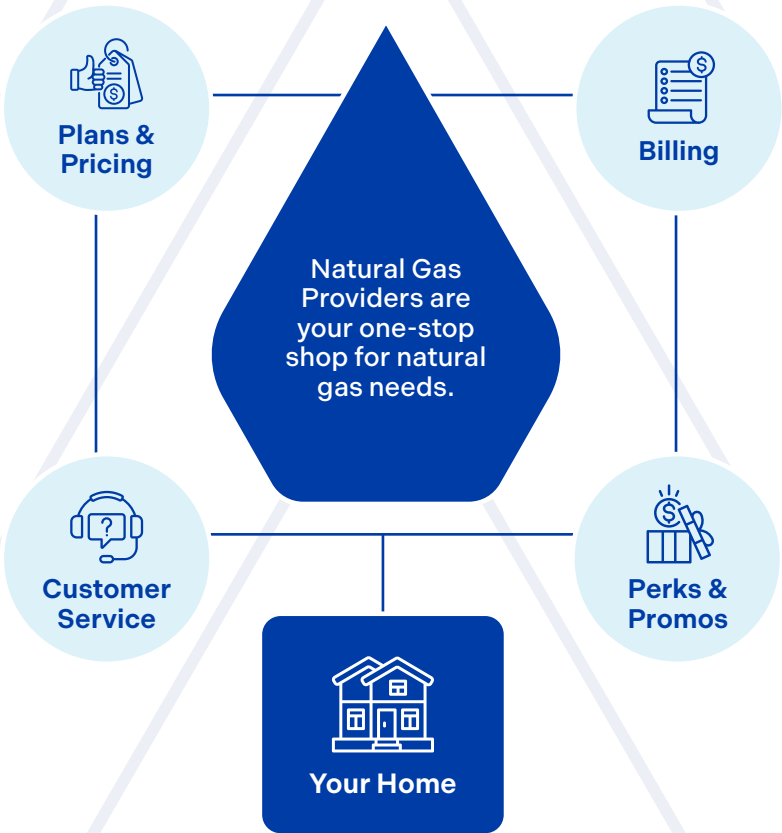

Customers select a natural gas provider and plan that best fits their needs.

Atlanta Gas Light, the utility, delivers gas to your home and manages the pipeline infrastructure.

Customers can count on their natural gas provider for customer service, billing, and even rewards.

Which gas plan is best for you?

Finding the right plan is an important consideration for you and your budget. Since there are many types of plans, we've provided a simple overview to help you choose.

What is a therm? When you buy gas for your car, it's in gallons. When you buy gas for your home, it's in therms.

- VARIABLE PRICE PLANS**

If flexibility is your priority, variable price plans typically don't require a long-term contract. Your monthly price per therm may change or stay the same based on numerous factors.
- FIXED PRICE PLANS**

Lock in a per-therm rate with a fixed price plan. While your rate remains the same for the duration of your plan, your total bill will change depending on how much gas you use.
- FLAT BILL PLANS**

There are no surprises with flat bill plans. Instead of locking in a per-therm rate for a period of time, you lock in a custom bill amount that doesn't change even in colder weather.
- PRE-PAY PLANS**

Pre-pay plans are a great way to build your credit and enjoy the benefits of natural gas in your home.

Enrollment eligibility, price plan availability, actual customer service charge, deposit requirement, and price per therm are subject to GNG's credit and payment policies. See gng.com for price plans and customer service charge ranges. All price plans are subject to GNG's Terms and Conditions of Service and Disclosure Statement and will include an Atlanta Gas Light Company Base Charge, a GNG Customer Service Charge, and Taxes.

*GNG's price included in this offer represents the effective price after line-item discount from GNG's Georgia PSC published price and is available only to qualified new residential customers who enroll in GNG's 12-Month Fixed plan between 09/05/26 and 10/04/26, using applicable promotion code. To remain eligible for the discounted price, customer must remain enrolled in the selected price plan during the applicable period and pay all billed charges by the date due, or line-item discount will be canceled, and customer will continue to be billed at the selected price plan rate without any discount. For credit of fixed contract exit fee (limit \$200), email a copy of bill showing fixed contract exit fee from current natural gas provider to customerservice@gng.com within 90 days from the date GNG service begins. Cannot be combined with any other offer.

*The greenhouse gas emissions being offset by this Greener Life service are those associated with the combustion of natural gas at the point of consumption only, and do not include lifecycle emissions that occur during extraction, production, or delivery.

HERE'S HOW IT WORKS:

We've calculated your Guaranteed Bill amount based on a number of factors, including prior gas usage at your current location. Your monthly Guaranteed Bill amount would be \$YY,* but we are also offering you a \$5 discount per month† that would get you to the advertised discounted monthly total of \$XX.* Your Guaranteed Bill amount excludes sales tax and any one-time charges such as late payment fees. We'll also waive the early termination charge from your current fixed plan so you can make the switch now.

Service. Savings. Sustainability. That's GNG.

Enrollment eligibility, price plan availability, and actual Guaranteed Bill amount are subject to GNG's credit and payment policies and terms and conditions of service. See guaranteedbill.com for additional information. Guaranteed Bill plan includes an Atlanta Gas Light Company base charge and a customer service charge. Guaranteed Bill amount does not include prorated service periods, taxes or one-time charges, which include connection or late charges.

*Stated Guaranteed Bill plan amount subject to credit approval and available only for named addressee on this mailer as account holder enrolling in GNG's Guaranteed Bill plan by 10/14/2026, using applicable promotion code, with respect to natural gas service at the address specified on this mailer. This offer is not transferable between customers or premises.

†Offer limited to qualified existing residential customers who enroll in the Guaranteed Bill plan by 10/14/2026, using applicable promotion code. \$5/month bill credit available for a total of 12 consecutive months, provided customer remains enrolled in the selected price plan during the applicable period and pays all billed charges by the date due, or bill credits will be canceled, and customer will continue to be billed at the selected price plan amount without any bill credits. Stated discounted monthly total includes bill credit and is based on a standard service period. The digital \$30 Visa Reward Card (defined below) offer available only for named addressee on this mailer as account holder enrolling in GNG's Guaranteed Bill plan by 10/14/2026, using applicable promotion code. The digital Visa Reward Card will be emailed to customer within 7 days from the date service begins. Email address required for digital Visa Reward Card fulfillment. Your Early Bird Rate

59^{9/10}¢
PER THERM*

Dear Firstname,

It's hard to keep control of your budget these days. You can't predict prices at the gas pump or the grocery aisle. And the National Weather Service says there is a 90% chance of extreme weather patterns continuing through the winter,[†] so your energy costs could be all over the place too.

When everyday costs are unpredictable, a little stability goes a long way. That's why GNG is helping you lock in protection for the next two winters with this discounted rate of 59.9¢ per therm on our 18-Month Fixed plan.* If your current plan has an early termination charge, we'll waive it so you can take advantage of this offer.
